Wed, 04 Jan 2017 00:39:00 GMT Nutrient Density, kcal/mL 1.3 1.3 1.3 1.3 Protein, % kcal ... - Hippocrates is a historical figure often thought of as the "Father of Medicine." He is quoted as saying, "Let food be thy medicine and thy medicine be thy food."

Mon, 05 Nov 2018 13:18:00 GMT Let Food Be Thy Medicine | Dermatology - The JAMA Network - Most feel much more comfortable with drugs than foods, and the "food as medicine" philosophy of Hippocrates has been largely neglected. That may be about to change. Concern about obesity is rocketing up political agendas, and a growing interest in the science of functional foods is opening up many therapeutic possibilities (p 180). Sat, 31 Mar 2018 23:57:00 GMT "Let food be thy medicine..." - PubMed Central (PMC) - Let food be your medicine! By:Dr. John P. Glynn Published: Criterion Aug/Sept 2013 Many years ago, Hippocrates, the Father of Medicine, stated: "Let your food be your medicine, and your medicine be your food". He regarded the daily food and drink we consume as the main influence in our state of health and our vulnerability to disease.
